

Gàidhlig Language and Culture

- Build on Immersion pedagogy to promote and secure children's confidence and progress in speaking Gaelic.
- Develop staff Gaelic language skills.
- Build confidence in supporting writing experiences.
- Support families with Gaelic language learning.
- Enhance the use of technology for children to hear and use Gaelic across the setting.

Social and Relationship Skills

- Help staff build data understanding so they can better support children in our sgoil-àraich community.
- Strengthen staff skills in supporting social development.
- Grow children's Gaelic language and emotional vocabulary to support positive social skills.
