Standards and Quality Report: Our Year in Review (2025-26)

Our Vision & Values

Our school is dedicated to creating a high-quality learning environment that puts Gaelic language and culture at its heart. We value Respect, Kindness, and Community, and work together to help all children thrive.

Key Highlights of 2025-26

Promoting Reading for Pleasure

We have built a strong culture of enjoying books through a new library, buddy reading, Gaelic storytelling, and reading activities. Over 260 books checked out this year! Children are excited to share and choose books, boosting their confidence and love of reading.

Gaelic Language & Cultural Growth

Our curriculum supports Gaelic language development through storytelling, songs, and family events. Many parents and children take part in Gaelic activities, helping strengthen language skills and cultural identity at home and school.

Supporting All Learners & Narrowing Gaps

Using observations and assessment, we support learners facing challenges, including those from disadvantaged backgrounds. Pupils are supported through our Getting it Right for Every Child process.

Fostering Wellbeing & Inclusion

Our school promotes kindness, respect, and community. Children feel happy, safe, and supported emotionally. Families and staff work together to create a positive environment where everyone belongs.

Community & Partnership Work

We collaborate with families, Gaelic groups, and local events like the Edinburgh Mòd. These partnerships help children connect with Gaelic culture outside school.

Safety & Wellbeing

Our policies and staff training ensure all children are safe, happy, and supported. Parents agree their children feel safe and are supported emotionally and physically.

Next Steps for 2026

- Expand Gaelic cultural activities and family engagement
- Further develop reading and Gaelic language opportunities at home
